

## Call for Abstracts and Posters

The call for abstracts and posters will cover the key topics of the 3<sup>rd</sup> European Pulmonary Fibrosis Summit: **1) research, 2) person-centred care and 3) policy and advocacy**

### *Submission Guidelines*

- Abstract/poster submission deadline is March 31<sup>st</sup>, 2024.
- Abstracts/posters will only be accepted via email to [pfpatientsummit@eu-pff.org](mailto:pfpatientsummit@eu-pff.org)
- The official Summit language is English; therefore, abstracts/posters should be written in **English**. As the summit is taking place in Spain, **Spanish** is also accepted.
- The abstract should not exceed 3000 characters (not including space and pictures).
- Posters should be provided in pdf format.
- Authors agree and accept publishing approved abstracts/posters on the EU-PFF website.
- The sender of the abstract/poster holds the responsibility of the contents being approved and authorised by other authors.
- The authors have acknowledged any conflict of interests.
- Only the first letters of each word in abstract/poster title should be capital letter. Name and surname information should be clearly written, no abbreviation should be used.
- After the submission is completed, the sender will receive a confirmation email to the address indicated at submission.
- After the evaluation is completed, the acceptance/rejection will be sent via email to the e-mail address indicated at submission.
